

# LIBERTY IS NIGHT SCHOOL GIRLS

Wives Now to Train Own  
Girls Without Seducing  
Outside Help.

Liberty was introduced in the  
school classes of the Rock Island  
high school last evening, a feature  
which is expected to attract consid-  
erable attention among the women.  
The course is to be given by Miss  
L. Woodhams, who took a  
course in military last summer in  
New York and who is now teaching  
military at the Rock Island high  
school.

Many women have expressed their  
desire in learning how to trim hats  
and avoid such little expenses where  
they must give their work to out-  
side help. The aim of the class is  
to give such instruction in mili-  
tary to enable women and girls to do  
their own work and not so much  
to teach it as a vocation.

The course is taught each Mon-  
day, Wednesday and Friday even-  
ing, as are the other courses, with  
the same fee of \$3 for the enroll-  
ment, which will be refunded if the  
student attends classes 80 per cent  
of the term.

Not Too Late to Enroll.  
It is not too late to enroll in any  
of the classes, although work was  
started a week ago. A. W. James,  
principal of the night school, is in-  
terested in having anyone join, as  
there is no time limit to the en-  
rollment. Many are taking advan-  
tage of the school, registering for  
technical, commercial, household  
arts, or academic work.

The English classes have been  
particularly popular, three sections  
being organized of all grades below  
the high school level. Algebra, shop  
mathematics, drawing, blue print  
reading, gas engine repair, machine  
shop practice, bookkeeping and sew-  
ing are some of the classes par-  
ticularly desired by the members.

## PEITY THIEF IS DISMISSED; TOLD TO QUIT THE CITY

Frank Gray, arrested ten days  
ago, has been dismissed on a  
charge of larceny by Magistrate  
D. J. Cleland in police court, but  
was told to get out of the city.  
Gray was arrested with Charles  
and Arthur Howard on Oct. 8. The  
three were alleged to have stolen  
\$20 from one of the Snow White  
bakery delivery wagons driven by  
Frank Ward. The police failed to  
solve the case and the Howard  
brothers were released on their  
promise to leave the city.  
Gray was then charged by Leo

Police, charged on a government  
charge last at Rock Island at the mouth  
of Rock river, of having stolen a  
pair of trousers from him. The  
trousers were found in Gray's suit  
case and he was held under \$200  
bond on a commitment. However,  
Magistrate Cleland ruled that it  
would be better to have Gray out of  
the city than to let him stand  
the commitment trial.

C. McDermis was found \$5 on a  
charge of disorderly conduct pre-  
ferred by his wife.

## AUTO HITS BUGGY AND ITS DAMAGE SETTLING UP CASE

Mick Fuma and Louis Godevici  
were dismissed on charges of care-  
less driving on payment of costs  
when charged before Magistrate  
D. J. Cleland in police court this  
morning after paying damages  
brought about by a collision of an  
automobile in which they rode and  
a buggy Monday afternoon.

The complaint was filed by Mrs.  
Minnie Schroeder, living on the  
Thirtieth street road.  
Mrs. Schroeder had tied a horse  
hitched to a buggy at Fifteenth  
street and Second avenue. The au-  
tomobile struck the buggy, damag-  
ing it considerably and breaking  
the harness on the horse. The au-  
tomobile was not injured. The men paid  
Mrs. Schroeder \$25.

# Velie

Some Have Cut Prices  
Others Have Guaranteed Prices  
We Have Done Both

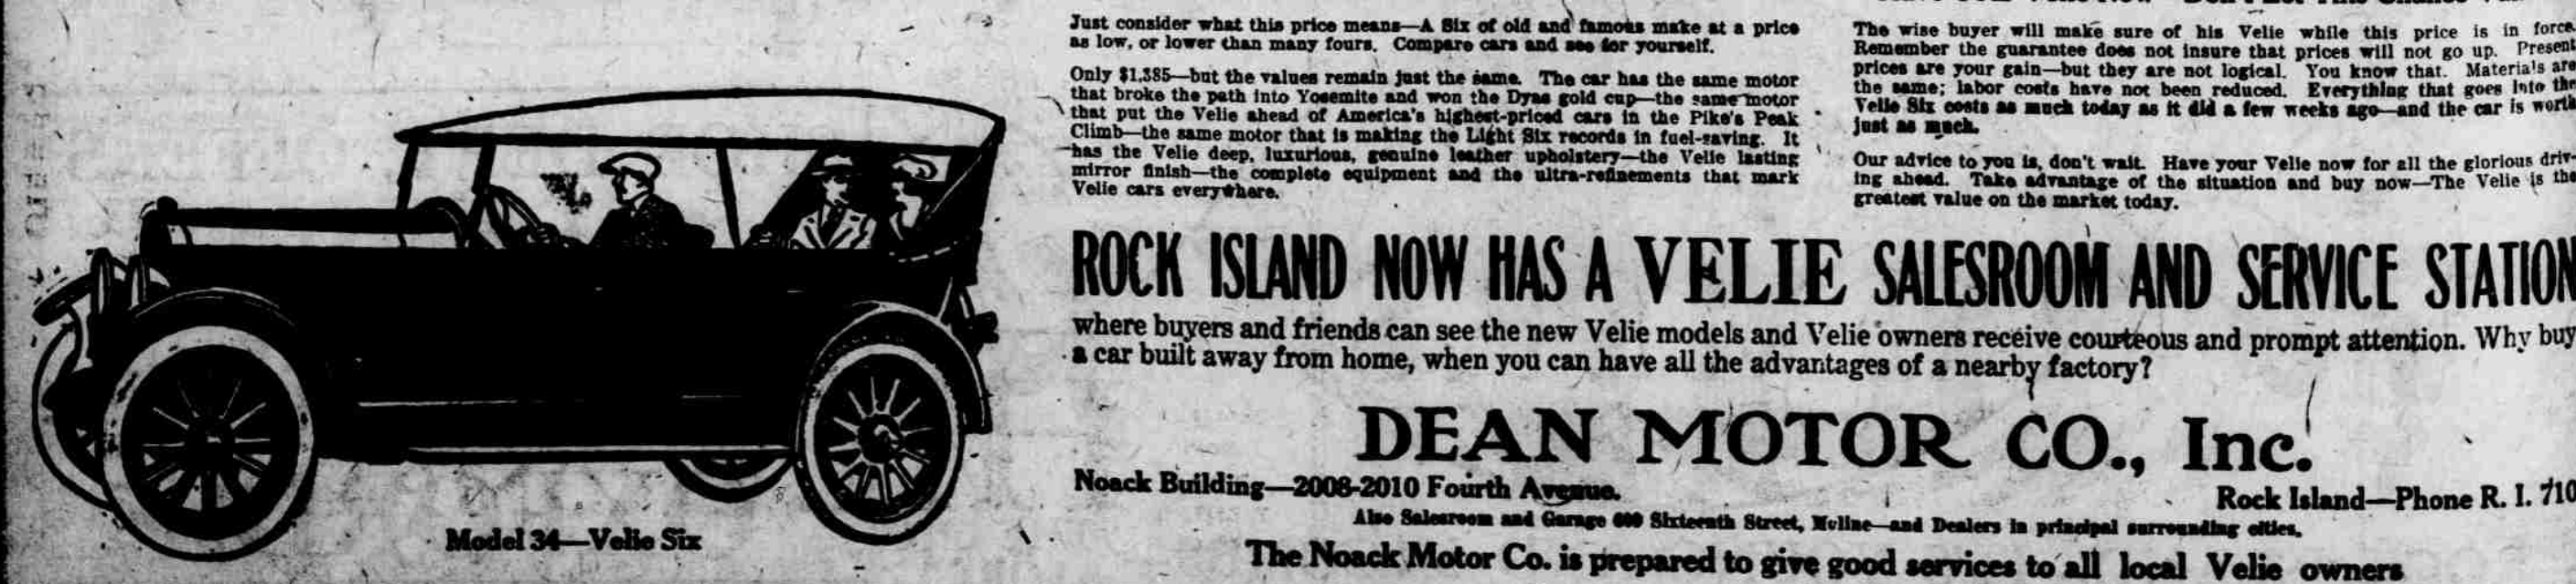

And Have Gone the Limit in Price and Guarantee

New Low Price

\$1385

F. O. B. Moline, Illinois

With Cord Tires

Model 34—Velie Six

\$1,385 for a Velie car equipped with cord tires all 'round! It is an unheard of low price—lower than the car  
ever sold for before. A cut of \$200 in price—cord tires added—actual saving nearly \$300. Dealers said it  
could not be done. Motorists who knew Velie values said it could not be done. But it is done. Here it is—at  
\$1,385. And further, you are positively protected against decrease in this price. That means, buy at once.  
You are not protected against increase. You may have said "I would buy my Velie today if I knew for certain  
that prices would go no lower." Read this carefully—

## PRICES GUARANTEED BY VELIE BOND

We have received the following official notice from the Velie Motors Corporation:

"We guarantee to you and the public our present list prices on present models against further decline up  
to July first, Nineteen Twenty-one. This means that should we, between this date and July first next,  
make further decreases in the list price of present models, you are hereby authorized to rebate the  
amount of any such decrease to purchasers who have paid you list prices now in force. We do not guar-  
antee against increase."

Velie backs this guarantee with a bond given personally to each new car buyer. This settles the price question once and  
for all.

### Velie Six With Cord Tires at the Price of a Four

Just consider what this price means—A Six of old and famous make at a price  
as low, or lower than many fours. Compare cars and see for yourself.

Only \$1,385—but the values remain just the same. The car has the same motor  
that broke the path into Yosemite and won the Dyke gold cup—the same motor  
that put the Velie ahead of America's highest-priced cars in the Pike's Peak  
Climb—the same motor that is making the Light Six records in fuel-saving. It  
has the Velie deep, luxurious, genuine leather upholstery—the Velie lasting  
mirror finish—the complete equipment and the ultra-refinements that mark  
Velie cars everywhere.
